PEO Realignment

Rapidly delivering war-winning capability

- **ACQ program responsibility consolidated under new PEOs at Product Centers**
 - **Designated Acquisition Commander authority eliminated**
- **Why:**
 - **Move PEOs closer to the programs they oversee by dual-hatting Product Center Commanders as PEOs**
 - **Aligned program execution and resourcing responsibilities**
 - **Streamlined decision making and accountability**
 - **Improved horizontal integration to support system of system capabilities**

More Responsive In Meeting Operator Needs!
